

Catholic Social Teaching

Lord,

Help us to create peace in your world.

May we remember that we are all your children, brothers and sisters on this earth.

Let us stand together in solidarity with one another, working for peace and justice for all throughout the world.

Amen

Lord,

Please forgive us for the way we have treated your creation in the past.

Give us the strength to listen and respond to the cry of the earth and the cry of the poor.

May we have the courage to change our ways and to take responsibility for our role as stewards of creation.

Amen

Lord,

We are all brothers and sisters on this earth.

Help us to remember that you created all people equally. May we treat everyone with the dignity that you bestowed on them.

Help us to be proactive in seeking the just treatment of everyone in the world, in all aspects of life.

Amen

Lord,

Please help us to build a sense of community in our area and in our world.

Help us to recognise that we are all brothers and sisters, made in your image.

May our duty to participate see our communities thrive, enabling us to create a fairer world, where everyone's voices can be heard.

Amen

Lord,

Thank you for giving us our gifts and talents

May we share these gifts through our life and our work.

Help workers everywhere to share their own talents in dignified, safe and equal working environments giving them satisfaction that they continue

the work that you started through creation.

Amen

Lord,

Help us to appreciate what we have; the people in our lives, the food and clothes we are blessed with.

Help us to remember that it is our responsibility to help those who are less fortunate than ourselves. May we work to empower those who are in poverty so we can work together to eradicate poverty and injustice in the world.

Amen
